**What is Personal Data?**

Over the Saturday Club year, The Saturday Club Trust will collect data through forms and share them with your Club's institution. There are laws governing our use of this information and other information that identifies you (known as "personal data"). We only use your personal data where these laws say we can. That is usually because we have a good reason to do so and you are not unfairly impacted.

**How is my data going to be used?**

The main uses that we have for your personal data (other than organising the Alumni Club we mention in the registration form) are creating the end of year members' publication, organising special events, evaluating attendance at the Club and your experience of it. We'll send you surveys sometimes asking about your experience, and also in the future, as we like to keep in touch with our members and know how they are getting on!

**Photography and Filming**

If photos or films are taken of you throughout the year enjoying the Club or one of our events, then these may be used in the Yearbook or Summer Show, or in promotional information about the Club to develop the programme or fundraising for it.

Please tell your Saturday Club tutor if you prefer for us not to do this or email [hello@saturday-club.org](mailto:hello@saturday-club.org). We are very respectful of such requests and make every effort to comply with them. It is not always possible to do so, for example, if there are group photographs at events or if the photograph has already been published in an irretrievable format.

**Sharing Data**

As well as the personal data you give us, please note we may also receive your personal data from your tutors or your parents during the year. We only share your personal data with people the law says it is OK for us to share it with (such as our IT providers and your local Club), and we have security measures in place to try and keep it safe.

**Your Rights**

You have certain rights under data protection law in relation to your personal data in certain circumstances, for example the right to ask us to delete it, to withdraw your consent to us using it or only use it in a certain way. Please contact Gemma Rust [hello@saturday-club.org](mailto:hello@saturday-club.org) if you would like to do any of these things or if you have any questions about our use of your personal data.

We have a privacy notice which sets out in more detail the personal data we receive about you, what we do with it and how we keep it safe. You can view it on our website at [saturday-club.org/club-members](https://saturday-club.org/club-members)
